

## High-Performance E Bike Battery for Hailong Case 250w/350w/500w Motor Black

Our Product Introduction

for more products please visit us on [enookbattery.com](http://enookbattery.com)

### Basic Information

- Place of Origin: china
- Brand Name: enook
- Certification: IC
- Model Number: Lifepo4 Battery

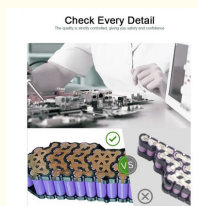

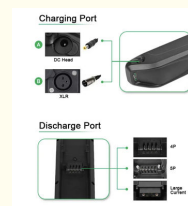

### Product Specification

- Battery Type: LiFePO4
- Color: Black
- Size: 360\*90\*110mm
- Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike
- Estimate Weight: 4kg
- Installation: Downtube Frame
- Case: Hailong
- Motor: 250w/350w/500w

### Product Description

#### Product Description:

Product Overview: E Bike Battery

**Installation:** Downtube Frame

**Color:** Black

**Application:** Electric Bike/ Bicycle/ Motorcycle/ Ebike

**Estimate Weight:** 4kg

**Case:** Hailong

The E Bike Battery is a high-quality and durable battery designed specifically for electric bikes, bicycles, motorcycles, and ebikes.

The battery is designed to be installed on the downtube frame of the bike, ensuring a secure and stable attachment. The black color of the battery gives it a sleek and modern look, making it a perfect fit for any bike.

The E Bike Battery is suitable for a wide range of applications, including electric bikes, bicycles, motorcycles, and ebikes. It is a versatile battery that can power different types of vehicles, making it an ideal choice for riders of all kinds.

Despite its powerful performance, the E Bike Battery is surprisingly lightweight, weighing only 4kg. This makes it easy to handle and install, without adding any unnecessary weight to the bike.

The battery is encased in a Hailong case, which provides excellent protection against external elements. This ensures that the battery remains safe and secure, even during rough rides and adverse weather conditions.

In conclusion, the E Bike Battery is a top-of-the-line product that offers exceptional performance, durability, and convenience for electric bikes, bicycles, motorcycles, and ebikes.

Our Product Introduction

## Features

We can build the popular Ebike battery with different brand cells and battery case. Cells capacity vary from 2600mah, 2900mah, 3200mah, 3400mah to 3500mah for your option. Battery cases include Hailong case, Dolphin case, bottle case, Silver Fish case, Rear rack case and so on. lithium E-bike battery for 250W/350W/500W/750W/1000w electric bike/mountain bike/motorcycle/bicycle.

We have different ebike battery case with different but easy installation for all kinds of EBikes, just send the inquiry for details.

- 01 Using high-quality brand and Chinese Grade A cells
- 02 Protection system is all used original chip from Japan and The United States
- 03 Support OEM / ODM Service
- 04 Voltage/Capacity/Dimension could be customized

| Name         | E Bike Battery 36V-10AH Li-ion E-Bike Battery Pack |
|--------------|--|
| Case         | Hailong  |

| Installation | Downtube frame                                     |

## Installation Steps

Open the mechanical lock and remove the base plate

Install the base plate on the electric bicycle

Slide the battery into the base and secure it

## Applications:

E Bike Battery - enook

Brand Name: enook

Model Number: Lifepo4 Battery

Place of Origin: China

Certification: IC

Installation: Downtube Frame

Estimate Weight: 4kg

Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike

Motor: 250w/350w/500w

Battery Type: LiFePO4

Introducing the E Bike Battery - enook, the perfect solution for all your electric bike needs. Our battery is designed with advanced technology and high-quality materials to provide you with a reliable and long-lasting power source for your electric bike. Whether you are using it for your daily commute, leisurely rides, or more intensive activities, our battery will not let you down.

With a weight of only 4kg, our E Bike Battery is lightweight and easy to install on your electric bike's downtube frame. This makes it convenient for you to carry an extra battery for longer rides or to replace your old battery without any hassle.

The E Bike Battery - enook is suitable for various electric bike models, including bicycles, motorcycles, and ebikes. It is compatible with motors of 250w, 350w, and 500w, providing enough power for different types of electric bikes.

Our battery is proudly made in China and has obtained the IC certification, guaranteeing its quality and safety standards. It is also easy to install, making it suitable for both DIY enthusiasts and professionals.

Upgrade your electric bike experience with the E Bike Battery - enook. Enjoy longer rides, faster speeds, and a more reliable power source with our LiFePO4 battery technology. Trust us to provide you with a premium and efficient battery for your electric bike needs.

## Application

### Our products have a very widely range of use

**A**

The battery pack can be used in electronic vehicles, tricycles, ebike, solar energy storage system, camper, cans, electronic boat, marine ship etc.,

**E-Scooter**

**Balance E-scooter**

**E-Bike**

**E-Motorcycle**

**Golf Cart**

**RC Drone**

**Solar Street Light**

**Solar Wind Energy**

**Mobile Headlight**

**Waterpump**

**Power Tools**

**Stereo Set**

**B**

We use high quality cells, such as 18650 21700 batteries, we use different cells for different applications

**C**

We have been in lithium battery pack for more than 10 years and know how to provide you the right solution for you. Just let us know your detail application and request then we will choose the best solution for you.

### Customization:

E Bike Battery - Customized Service

Brand Name: enook

Model Number: Lifepo4 Battery
