

E Bike Silver Fish Lithium Battery Pack Recommended For $23 \pm 5^{\circ}\text{C}$ Storage Temperature

Our Product Introduction

for more products please visit us on enookbattery.com

Basic Information

- Place of Origin: china
- Brand Name: enook
- Certification: IC
- Model Number: Lifepo4 Battery

Product Specification

- Voltage/Capacity: 48V 36V
- Color: Sliver
- Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike
- Estimate Weight: Customized
- Size: Customized
- Battery Name: Silver Fish Ebike Battery Lithium Battery Pack
- Case: Sliver Fish
- Recommended Storage $23 \pm 5^{\circ}\text{C}$ Temperature:
- Highlight: **E Bike Lithium Battery 36V, Silver Fish Lithium Battery Pack**

Product Description

E Bike Battery Silver Fish Lithium Battery Pack Recommended For $23 \pm 5^{\circ}\text{C}$ Storage Temperature

Our Product

Product Description:

E Bike Battery - The Ultimate Power Source for Your Electric Bike

The E Bike Battery is a high-performance power source designed for electric bikes, bicycles, motorcycles, and ebikes. With its advanced technology and superior quality, this battery is guaranteed to provide long-lasting and reliable power for your vehicle.

Recommended storage temperature: $23 \pm 5^{\circ}\text{C}$

The E Bike Battery is designed to work best in temperatures between $23 \pm 5^{\circ}\text{C}$. This is the ideal storage temperature for ensuring optimum performance and longevity of the battery.

Voltage/Capacity: 48V 36V

The E Bike Battery is available in two voltage and capacity options - 48V and 36V. This allows you to choose the suitable power output for your electric bike, depending on your requirements and preferences.

Estimate Weight: Customized

The weight of the E Bike Battery can be customized according to your specific needs. The battery is designed to be lightweight, making it easy to install and carry around. This ensures a comfortable and hassle-free riding experience.

Battery Type: Lithium Ion

The E Bike Battery is powered by a high-quality Lithium Ion battery, which is known for its high energy density, long lifespan, and fast charging capabilities. This ensures consistent and efficient power delivery for your electric bike.

Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike

The E Bike Battery is suitable for a wide range of applications, including electric bikes, bicycles, motorcycles, and ebikes. It is a versatile and reliable power source that can cater to the needs of different types of vehicles.

With the E Bike Battery, you can enjoy a smooth and powerful ride on your electric vehicle. Its 3.2V LiFePO₄ Battery and 3.2V 202Ah Lithium ion battery ensure high performance and efficiency, while the 3.2V LiFePO₄ Battery 48V 202Ah option provides even more power for your electric bike. Don't let a weak battery hold you back - choose the E Bike Battery for an exceptional riding experience.

Products Description

Silver Fish
48V 36V 10Ah
15Ah 20Ah ebike

battery

case 18650
Lithium Ion
Battery Pack

Welcome OEM

- "Customized" battery voltage, capacity, size and case.
- "Customized" BMS charging and discharging current, balance function with communication protocol, etc.
- "Customized" connect plug and socket Cable, waterproof
- "Customized" special battery packs for any applications

QUALITY

Authoritative review
CE, UL, SGS, FCC, ROHS,
and ISO9001:2000
certified

EXPERIENCE

We have been in lithium
battery pack for more
than 10 years

EQUIPMENT

Silver Fish 48V 36V 10Ah
15Ah 20Ah ebike bicycles
battery case 18650
Lithium Ion Battery Pack

Features:

Product Name: E Bike Battery
Size: Customized
Color: Sliver
Battery Type: Lithium Ion
Case: Sliver Fish
Voltage/Capacity: 48V 36V
3.2V LiFePO4 Battery
3.2V LiFePO4 Battery
3.2V LiFePO4 Battery

Technical Parameters:

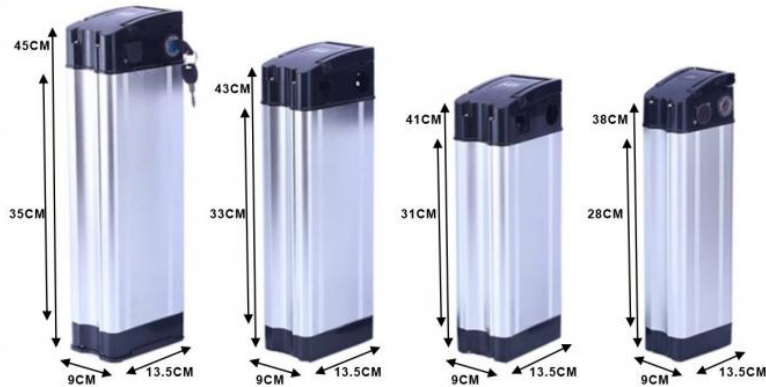

Specification	Value
Color	Silver
Application	Electric Bike/ Bicycle/ Motorcycle/ Ebike
Estimate Weight	Customized
Battery Type	Lithium Ion
Voltage/Capacity	48V 36V
Size	Customized
Battery Name	Silver Fish Ebike Battery Lithium Battery Pack
Case	Silver Fish
Recommended storage temperature	23 ± 5°C
3.2V 202Ah Lithium ion battery	3.2V LiFePO4 Battery
3.2V LiFePO4 Battery 202Ah	3.2V LiFePO4 Battery

Features

We are a lithium battery manufacturer, so we can provide you with customized services;
The capacity and dimension can customize according to your request:

- 01** Customized battery size and shell material
- 02** Customized BMS charging and discharging current
- 03** Customized connect plug and socket, connector wire

[product name] : Lithium battery case [shell material] : Aluminum alloy

[Applicable voltage] : 48V [Product color] : Silver black

[Scope of application] : Suitable for many brands of 48v lithium battery casings on the market

Applications:

Introducing enook LifePo4 Battery for Your E Bike

Are you looking for a reliable and high-performance battery for your electric bike? Look no further, as enook has the perfect solution for you - the LifePo4 Battery. This powerful battery is designed to provide you with a seamless and efficient riding experience, making it the perfect choice for all your E bike needs.

Product Name: enook LifePo4 Battery

Brand Name: enook

Our brand, enook, is known for its top-quality and innovative products. With years of experience in the industry, we have established ourselves as a trusted and reliable brand among our customers.

Model Number: LifePo4 Battery

Our LifePo4 Battery is a cutting-edge technology that is designed to provide you with long-lasting performance and reliability. The model number represents the type of battery - a 3.2V LiFePO4 Battery with a capacity of 202Ah.

Place of Origin: China

Our Lifepo4 Battery is proudly made in China, where we have state-of-the-art facilities and a team of experts dedicated to producing top-quality batteries for our customers.

Certification: IC

Our Lifepo4 Battery is certified by IC, which ensures that the product meets all the necessary safety and quality standards.

Case: Sliver Fish

The case of our Lifepo4 Battery is designed in the shape of a Sliver Fish, providing a sleek and compact design that perfectly fits your E bike.

Color: Sliver

The color of our Lifepo4 Battery is Sliver, giving it a modern and stylish look that will complement your E bike perfectly.

Size: Customized

We understand that every E bike is different, which is why we offer customized sizes for our Lifepo4 Battery. This ensures that our battery fits perfectly onto your E bike, providing a seamless and hassle-free riding experience.

Recommended Storage Temperature: $23 \pm 5^{\circ}\text{C}$

To ensure the best performance and longevity of our Lifepo4 Battery, we recommend storing it at a temperature of $23 \pm 5^{\circ}\text{C}$.

Voltage/Capacity: 48V 36V

Our Lifepo4 Battery comes with a voltage of 48V or 36V, depending on your E bike's requirements. This provides enough power to keep your E bike running smoothly and efficiently.

Application and Usage Scenarios

Our Lifepo4 Battery is suitable for various applications and usage scenarios. Some of the common ones include:

City commuting - whether it's for work or leisure, our battery provides enough power for a smooth and comfortable ride in the city.

Off-road adventures - if you're an adventure enthusiast, our Lifepo4 Battery is perfect for powering your E bike on off-road trails and rugged terrains.

Mountain biking - our battery is designed to withstand tough terrains and provide long-lasting power for your mountain biking adventures.

Delivery services - for businesses that use electric bikes for delivery services, our Lifepo4 Battery is a reliable and efficient choice.

Our Lifepo4 Battery can also be used for other personal and professional purposes, making it a versatile and essential component for your E bike.

Why Choose enook Lifepo4 Battery?

Still not convinced? Here are some reasons why enook Lifepo4 Battery should be your go-to choice for your E bike:

High-performance - our battery is designed to provide powerful and consistent performance, ensuring a smooth and efficient ride.

Long-lasting - with a capacity of 202Ah, our Lifepo4 Battery can last for hours, allowing you to cover longer distances without worrying about running out of power.

Safe and reliable - our battery is certified by IC, ensuring that it meets all the necessary safety and quality standards.

Customized size - we offer customized sizes to fit your specific E bike model, ensuring a perfect fit and hassle-free installation.

Don't compromise on the quality and performance of your E bike battery. Choose enook Lifepo4 Battery for a seamless and efficient riding experience. Order now and take your E bike to the next level!

Applications

Our products have a very widely range of use

A

The battery pack can be used in electronic vehicles, tricycles, ebike, solar energy storage system, camper, cans, electronic boat, marine ship etc.,

E-Scooter

Balance E-scooter

E-Bike

E-Motorcycle

Golf Cart

RC Drone

Solar Street Light

SolarWind Energy

Mobile Headlight

Waterpump

Power Tools

Stereo Set

B

We use high quality cells, such as 18650 21700 or Lifepo4 batteries, we use different cells for different applications

C

We have been in lithium battery pack for more than 10 years and know how to provide you the right solution for you. Just let us know your detail application and request then we will choose the best solution for you.

Customization:

E Bike Battery Customization Service - enook

Product Information:

Brand Name: enook

Model Number: Lifepo4 Battery

Place of Origin: China

Certification: IC

Color: Silver

Recommended storage temperature: $23 \pm 5^{\circ}\text{C}$

Size: Customized

Application: Electric Bike/ Bicycle/ Motorcycle/ Ebike

Battery Name: Silver Fish Ebike Battery Lithium Battery Pack

Key Features:

-3.2V 202Ah Lithium ion battery

-High-quality 3.2V 202Ah Lithium ion battery

-Long-lasting 3.2V 202Ah Lithium ion battery

-Durable 3.2V 202Ah Lithium ion battery

SUPPORT FOR YOUR ORDERS**

Packing and Shipping:

E Bike Battery Packaging and Shipping

Our E Bike Batteries are carefully packaged to ensure safe delivery to your doorstep. We understand the importance of protecting your investment and have taken all necessary precautions to ensure your battery arrives in perfect condition.

Packaging

Each battery is packaged in a sturdy cardboard box, with ample cushioning material and protective layers to prevent any damage during transit. The box is also clearly labeled with handling instructions and product information for your convenience.

For added security, our batteries are also sealed in a plastic bag to protect against any moisture or water damage.

Shipping

We offer standard and express shipping options for our customers, depending on your location and urgency of delivery. Our standard shipping usually takes 5-7 business days, while express shipping can take 2-3 business days.

We use reputable shipping carriers to ensure timely and safe delivery. Once your order is processed, we will provide you with a tracking number so you can easily track your package.

In the unlikely event of any damage during shipping, please contact us immediately so we can assist you in resolving the issue. Your satisfaction is our top priority.

Thank you for choosing our E Bike Batteries. We hope you enjoy your new battery and have a smooth riding experience.
